DETAILED ACTION

Allowable Subject Matter

1. Claims 1-10 are allowed.
2. The following is an examiner's statement of reasons for allowance: The primary reason for the allowance of claims 1-3 is the inclusion of the limitation: 'the program counter trace apparatus is responsive to plurality of simultaneous event signals, the program counter trace apparatus generating multiple-event sync marker signal group identifying the occurrence of the plurality of simultaneous events and relating the event signals to the timing trace stream and the program execution'. The primary reason for the allowance of claims 4-5 is the inclusion of the limitation: 'the program counter trace stream, including a marker signal group indicating a simultaneous occurrence of a plurality of event signals and relating the occurrence to the data trace stream, to the timing trace stream, and to the program execution'. The primary reason for the allowance of claim 6 is the inclusion of the limitation: 'indicia of the simultaneous occurrence of a plurality of event signals'. The primary reason for the allowance of claims 7-10 is the inclusion of the limitation: 'the decoder unit generating a second control signal when multiple simultaneous events are identified; a gate unit responsive to the control signal, the gate unit transmitting processor signals applied thereto to the storage unit for storage at defined locations, the signals stored in the storage unit forming a portion of a multiple-event sync marker; a multiple-event gate unit responsive to the second control signal for storing indicia of additional event signals in the storage unit; and a FIFO unit coupled to the storage unit, the FIFO unit receiving the multiple-

event sync marker when the multiple-event sync marker has been assembled, the FIFO unit transferring the multiple-event sync marker to the host processing unit'.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
